TRADELANES

PAPERLESS TRADE IS NEW REALITY

80%

of supply chain data sits outside the four walls

90%

of carriers have gone paperless

48%

of countries in the world are on e-customs

42

of leading global banks using BlockChain for Letter of Credit

TRADELANES

GLOBAL TRADE HAS SHIFTED TO SMART TRADE

But, most exporters are stuck in the old world. Less than 2% of businesses have adopted paperless trade.

TRADELANES

74% OF BUSINESSES PROCESS EXPORTS MANUALLY

***Source**: Small Business Exporters Association, 2016*
