ROTARY CLUB OF KINONI
31 DEC 2025
P. O. BOX 924, MASAKA

To: Jero Wiku Hai Dai
The Continental Council of Indigenous Elders and Spiritual Guides of America
Date: 31st December, 2025,

Dear Jero Wiku Hai Dai and the Esteemed Elders and Members of the Continental Council of Indigenous Elders and Spiritual Guides of America,

On behalf of the Rotary Club of Kinoni, we convey our warm greetings and deep respect to your Council for its guardianship of indigenous wisdom, spiritual heritage, cultural identity, and ethical leadership across the Americas and beyond.

The Rotary Club of Kinoni is a community-based service organization operating in rural Uganda under the ideals of Rotary International, dedicated to promoting peace, cultural understanding, environmental stewardship, youth empowerment, education, innovation, and sustainable community development. We strongly recognize that indigenous knowledge systems, spirituality, and cultural values are foundational to building resilient and harmonious societies in today's rapidly changing world.

Through this Letter of Intention, the Rotary Club of Kinoni formally expresses its desire to explore a collaborative relationship with Jero Wiku Hai Dai research through a meta-framework of ceremony via the humanity's "attentional ecology." Our intention is to foster mutual respect, learning, and partnership initiatives with 20 plus indigenous tribes here in Africa that honor indigenous cultures while addressing contemporary community needs, particularly among rural youth.

Potential areas of collaboration may include, but are not limited to:

- Culture: Indigenous cultural exchange, preservation of oral traditions, arts, music, storytelling, and intergenerational knowledge transfer between elders and youth across continents.
- Environment: Environmental protection, climate resilience, land stewardship, and conservation initiatives rooted in indigenous ecological wisdom and spiritual relationships with nature.
- Youth Empowerment: Mentorship, leadership development, moral and spiritual guidance, and global citizenship programs that nurture responsible, culturally grounded young leaders.
- ICT Hub Establishment: Collaboration in establishing a Community ICT and Cultural Knowledge Hub in Kinoni, aimed at enabling youth to document indigenous knowledge, connect globally, access digital education, promote cultural heritage, and foster innovation while respecting traditional values.
- Dialogue and Exchange: Joint virtual forums, learning exchanges, and cultural solidarity programs that strengthen understanding between indigenous communities of Africa and the Americas.

This Letter of Intention is non-binding and serves as a foundation for dialogue, relationship-building, and the possible development of future "Memoranda of Agreements" or joint programs by mutual agreement.

We would be deeply honored to receive your guidance on how such collaboration may be shaped in a manner that respects spiritual protocols, cultural dignity, and shared values. The Rotary Club of Kinoni stands ready to engage with humility, openness, and commitment to mutual benefit.

Please accept the assurances of our highest esteem and respect.

Yours sincerely,
For and on behalf of the Rotary Club of Kinoni

SSentamu John
